# **2022** Tennessee Reportable Disease List for Healthcare Providers

The diseases, events, and conditions reportable to Tennessee Department of Health (TDH) by health care providers are listed below for 2022.

### How to Report:

### Fax

 Local/Regional Health Offices: www.tn.gov/health/health-program-areas/ localdepartments.html

State/CEDEP: (615) 741-3857

### Online

- Report conditions online through NBS: https://hssi.tn.gov/auth/login
- To sign up for NBS online reporting, please fill out the REDCap survey:

https://redcap.health.tn.gov/redcap/ surveys/?s=8L7CMWHN4M

### Outbreaks and Events of Urgent Public Health Concern:

- Disease clusters or outbreaks!
- Single cases of pan-nonsusceptible organisms, unusual resistance mechanisms, or other emerging or unusual pathogen\*!

\*See Appendix A of the M100 Performance Standards for Antimicrobial Susceptibility Testing

## **Regular Reporting**

PH-1600 only in 1 week (all diseases)

Phone immediately + PH-1600 in 1 week

Phone next business day + PH -1600 in 1 week

### **Special Reporting**

All blood lead test results must be reported electronically or via fax. For more information, refer to www.tn.gov/health/health-programareas/mch-lead/for-providers.html or email UT Extension at <a href="mailto:leadtrk@utk.edu">leadtrk@utk.edu</a> for

Report in 30 days. For more information, see https://www.tn.gov/health/cedep/hai.html

Neonatal Abstinence Syndrome in 1 month at REDCap https://www.tn.gov/health/nas.html

Birth Defects in 1 week at REDCap https://tdhrc.health.tn.gov/redcap/survevs/ s=TDEYPYCHET

Weekly, every Tuesday for the previous week. For more information, see www.tn.gov/ content/tn/health/health-programareas/pdo/ pdo/drug-overdose-reporting.html

Refer to online reporting requirements for COVID-19 www.tn.gov/health/cedep/ncov/ healthcare-providers.html

\*Healthcare providers should only report "Tuberculosis, infection" (formerly, "latent" TBI) for a positive tuberculin skin test (TST) for any child or adolescent < 18 years of age, or a positive interferon-gamma release assay (IGRA) for a patient of any age. Refer to the PH-1600 for additional directions on how to report.

More information about reporting is available on the Reportable Diseases website at www.tn.gov/health/cedep/reportablediseases.html.

For questions, contact CEDEP at (615) 741-7247 or (800) 404-3006.

For more details about the laboratory tests and results, specimen or isolate submission requirements, and catchment areas for individual pathogens, please refer to the 2022 Reportable Diseases in Tennessee: Detailed Laboratory Guidance.
